Dear Applicant

LMA are pleased to invite you to audition / interview.

You will need to prepare the following:

Please ensure you arrive promptly and bring your own instrument, amps etc. If this is not going to be possible, please let us know in order for us to make alternative arrangements.

If you are using a backing track, the sound system is able to play from USB or connect to your smartphone/device for playback but please come prepared with your track.

During your interview, you will be asked a series of questions around your interest in the course, your experiences of performance and your goals and ambitions.

If you have any requirements relating to an additional need, please don't hesitate to contact us to ensure you have full access to our facilities when you arrive.
