

**LMA Update: Covid-19**  
**17 March 2020**

Dear All

We are writing to update you on the latest advice and guidance we have received from the Department for Education and Public Health England in relation to the current Coronavirus (COVID-19) outbreak.

LMA has taken the decision to reduce risk of infection and move learning online from Monday 23 March 2020. This will initially be for a period of two weeks.

As the Easter closedown will follow, classes are scheduled to recommence on Monday 20 April 2020.

As the current situation is being monitored, any changes to this plan will be communicated to you by email.

During this period, LMA staff will be available to assist online during your scheduled class times. Further details of this will be sent from your own department Creative Directors.

During this extraordinary time, please continue to follow the latest Public Health England advice in relation to the Coronavirus (COVID-19): <https://www.gov.uk/coronavirus>.

Thank you for your understanding and cooperation. We will continue to provide regular updates as the situation develops.

Yours

Kevin Sutherland  
Principal
